FIRST CHOICE

Each year, the Daily Metropolitian papers conduct a Consumer analysis to determine the products and services preferred by consumers of this area. For 1958, the survey shows that once again HI-LAND is the emphatic FIRST CHOICE in dairy products.

THESE ARE THE REASONS WHY YOU PREFER HI-LAND OVER ALL OTHERS

1 **PRODUCTION AREA:** Hi-Land's milk comes from Utah's beautiful high mountain valleys, where crystal-clear water, abundant natural feed and choice dairy lands are ideal for producing good milk.

2 **PRODUCER OWNED:** Hi-Land is ownd by the dairy farmers who produce this milk. These producers have a personal pride in their product. From dairy to you, quality & freshness is protected at every step.

3 **QUALITY PROGRAM:** When Hi-Land was first organized nearly 20 years ago, it set up a rigid quality program and a premium bonus plan which assures premium payments for quality production.

4 **COMPLETE LINE:** Hi-Land has a **complete line** of dairy products, all wearing the Hi-Land quality brand.
